

Enterprise Computing Solutions, Inc. Named to CRN Solution Provider 500

List Ranks North America's Largest 500 Technology Integrators

Mission Viejo, CA, June 8,, 2015 – Enterprise Computing Solutions, Inc., today announced it has been named to [The Channel Company](#)'s 2015 CRN® Solution Provider 500. The annual list, spanning eight categories, from hardware and software sales to managed IT services, recognizes the top revenue-generating technology integrators, MSPs and IT consultants in North America. Solution providers are ranked based on revenue, determined by product and services sales during 2014.

"ECS is honored to be named to the CRN Solutions Provider 500 for the second consecutive year. It is a reflection of our company values and commitment to customer satisfaction. For 20 years outstanding customer satisfactions in supporting our customer achieve their IT objectives has been the primary goal of our company. Our customers have put us on this list; they have a put their trust in our team and the solutions we represent." Cheri Butler, CFO.

"The companies represented here are truly dedicated to the needs of customers today. With an evolving IT landscape, this prestigious list serves as a valuable industry resource to help vendors navigate the solution provider community and identify the best partners for their business," said Robert Faletra, CEO, The Channel Company. "We congratulate the featured solution providers for their forward-thinking approach to solutions sales and look ahead to their continued success."

A sample of the 2015 Solution Provider 500 list will be featured in the June issue of CRN, and online at www.CRN.com.
